### Alleyns School

Alleyn's School is on Townley Road. This road links Calton Avenue to Lordship Lane. Lordship Lane is a long road which runs north from the South Circular (starts at the Harvester Pub) and through East Dulwich. The astro is about 200 yards west of Lordship Lane. From Herne Hill, go down Half Moon Lane, under the railway bridge, over a set of traffic lights (junction with Dulwich Village) and into East Dulwich Grove. After about 400 yards turn right into Calton Avenue and then immediately left into Townley Road. The school is on the north side of Townley Road and the astro adjacent to the road.
