Dulwich Sports Club - Giant Arches Road runs west from Burbage Road and runs down the south side of the railway bridge/viaduct. Burbage Road runs south from Half Moon Lane in Herne Hill to the southern end of Dulwich Village, where it merges with College Road and Gallery Road at a roundabout. Both College Road and Gallery Road link Dulwich Village with the South Circular (A205). From Dulwich College Astro you would turn right into College Road going north, go over the traffic lights (its junction with the South Circular) until you reached the roundabout. Take the second exit into Burbage Road, go over the crossroads with Turney Road and Giant Arches Road will be on the left, just before the railway bridge. Parking can be a problem so you might have to park on Burbage Road itself.
